At Least 15 Dead, 2 Injured As Passenger Jeep Plunges Into Neelum River In AJK

MUZAFFARABAD: At least 15 people lost their lives and two were injured when a passenger jeep tumbled down from the Leswa Bypass Road near Devlian village onto the bank of the Neelum River on Wednesday while they were travelling from Lawat Bala to Muzaffarabad, Azad Jammu and Kashmir (AJK).

passengers were announced dead when they reached the hospital, as per the rescue officials.

He added, "The road is perfectly smooth and in good condition."

Though police and rescue teams rushed to the accident site, their efforts faced certain difficulties due to the occurrence of rain, according to Rescue 1122. They added that the bodies were sent to the District Headquarters Hospital, whereas, the wounded passengers were taken to the Muzaffarabad Combined Military Hospital.

Apart from the police and rescue teams, local people and youth also volunteered and took part in the rescue efforts.

The passengers who lost their lives belonged to two families of Lawat Bala village in the Neelum Valley. The bodies were handed over to their respective kin and their funeral prayers will be offered in the village before they are laid to rest.

Notably, at least 17 passengers were travelling in the jeep including the driver, out of which six men, four women, and three children could not survive the accident. Additionally, two other

As the possible causes behind the accident are still being determined, Muzaffarabad Deputy Commissioner Nadeem Ahmed Janjua told Geo News: "Apparently, there is no obvious cause for the car accident. There is also no trace present on the road where the accident took place, which can determine the cause behind the occurrence."

Accidents like this routinely take place in the mountainous areas of AJK. The prime reason behind such occurrences is mostly faulty and worn-out public transport vehicles, but a lack of road safety measures also causes such road mishaps.—RT/Agency

Federal Cabinet Extends Registered Afghan Refugees' Stay By 1 Year

ISLAMABAD: Pakistan on Wednesday decided to grant a one-year extension in the stay of registered Afghan refugees, allaying their fear of being sent back to Afghanistan.

The caretaker government had announced the repatriation of all illegal foreigners citing security concerns in October last year. The decision was alleged to be meant for Afghan refugees, a charge that was denied by officials.

The repatriation of undocumented Afghans began on November 1 and officials now say that up to 500,000 have gone back. Officials had earlier stated there were nearly 1.7m illegal Afghans with most having lived in Pakistan for 40 years.

According to the UN refugee agency, Pakistan is still home to around 1.3 million registered Afghans.

A statement issued by the Prime Minister's Office today said: "The federal cabinet approved one-year extension of the validity of PoR (Proof of Registration)

cards of 1.45 million Afghan refugees. Their PoR cards have been expired on June 30, 2024. The extension has been granted until June 30, 2025" said a statement issued by the Prime Minister's Office.

citizenship cards, according to the United Nations High Commission for Refugees (UNHCR).

Grandi had expressed appreciation that the "Illegal Foreigners Repatriation Plan" had been suspended and sought assurances that it would remain on hold, according to a UNHCR statement.

The federal cabinet approved the extension of the validity of PoR cards for Afghan refugees that expired on June 30.

Afridi said that 52 per cent of PoR cardholders lived in Khyber Pakhtunkhwa while over 315,000 lived in Balochistan, around 1,950,000 in Punjab, 75,000 in Sindh, 40,000 in Islamabad and some in Azad Jammu and Kashmir.

However, the Foreign Office spokesperson denied the UNHCR chief's claim regarding the repatriation plan's suspension.

Prime Minister Shehbaz Sharif presided over the meeting. The cabinet took the decision amid reports that Pakistan had suspended the repatriation of Afghans without legal documents.

UN High Commissioner for Refugees Filippo Grandi confirmed the suspension of the repatriation plan after meeting with Pakistani leaders a day ago at the conclusion of his three-day visit.

"This is a big relief for refugees who were facing uncertainty and anxiety," UNHCR spokesman Qaisar Khan Afridi told media. He said the "generous gesture" demonstrated Pakistan's commitment to the global refugee cause and showed "solidarity and compassion towards refugees at a time when displaced people need our support".

NAB Amendments Case: 'It's About The Country, Not Me,' Says Imran

ISLAMABAD: Pakistan Tehreek-e-Insaf (PTI) founder Imran Khan has said that the issue of amendments in the National Accountability Bureau (NAB) ordinance is not about himself but in fact relates to the whole of the country.

shares a rather contentious history with CJP Isa as it was his government that had filed a presidential reference against the incumbent chief justice in 2019 for allegedly owning properties abroad under his wife and children's names and not mentioning them in his health statement.

The reference was challenged by the judge in the SC and subsequently, a 10-member larger bench headed by the then chief justice Umar Ata Bandial dismissed it.

"This was not about personal gain but the greater good of our country and millions of Pakistanis who place their faith in a system that should serve them," Khan said in his written submission to the apex court.

Later, Khan admitted that the filing of the presidential reference against CJP Isa was a "mistake".

Morever, the incumbent CJP has been part of various cases involving the former premier and his party has voiced concerns in this regard. PTI spokesperson, as per media, has complained of his party being deprived of justice and that even its petitions weren't being taken up by the courts. "The PTI core committee wants that CJP Isa should not sit on benches in our cases [...] unfortunately, the kind of decisions that are being delivered are seen to be biased, the element of favouritism in case verdicts strengthens our demand," he claimed. In his four-page written submission, the PTI founder further said: "Throughout my political career, I have consistently taken a stand against corruption, even at great personal risk and sacrifice, including my current imprisonment. My life's work and sacrifices have always been dedicated to the fight against corruption and the establishment of justice," Khan said.—RT/Agency

The former premier made the request while referring to a previous apex court order.

In 2022, the Pakistan Democratic Movement government made amendments to the National Accountability (NAB) Ordinance which were challenged by Imran Khan in the top court.

Government Plans To Tax Agricultural Income Under IMF's Directive: Zardari

LAHORE: President Asif Ali Zardari on Tuesday said that the government is planning to tax agricultural income as per the International Monetary Fund (IMF) conditions.

He, however, added that the provincial governments would be leading the initiative to tax large landholding farmers in accordance with their profitability and expenditures.

The president gave these remarks while addressing the Professor Waris Mir Memorial Seminar in the provincial capital where he also spoke on issues related to media and democracy.

While highlighting the economic challenges, Zardari called for adopting a holistic approach and prudent financial policies to put the country on the path to development.

He said different sectors of the economy, especially the agricultural sector, needed to be developed along modern lines.

During the address, the president highlighted that the media had given power to people by amplifying their voices, however, recent years witnessed grouping in media.

He cautioned that a strong religious lobby in the world was manipulating and managing perceptions aiming to sow divisions in Muslim societies.

He said he was a supporter of the freedom of the press and had always tolerated harsh criticism from the media. "Societies need to be careful against agenda-driven information. One has to face trials and tribulations in life,

however, one needs to stay steadfast in the face of challenges." He paid tribute to the political struggle and sacrifices of Benazir Bhutto for democracy, saying the Pakistan Peoples Party had a history of facing pressures and assassinations, but it continued its struggle for the cause of democracy in Pakistan.

Fazl Calls On PTI To 'Quit Assemblies

ISLAMABAD: Jamiat Ulema-e-Islam Fazl (JUI-F) Chief Maulana Fazur Rehman has advised Pakistan Tehreek-e-Insaf (PTI) to 'quit assemblies' and hit the street against the incumbent government, media reported on Wednesday, citing sources.

Maulana Fazur Rehman once again rejected the results of the general elections and demanded fresh polls, citing 'widespread rigging and irregularities'.

The JUI-F chief demanded for immediate elections to ensure the integrity of the democratic process.

According to inside story of the meetings between Fazur Rehman and PTI leaders, the JUI-F chief advised Pakistan Tehreek-e-Insaf to come out of assemblies and join the street movement for solution of problems, the sources said.

Addressing a public gathering in Karachi, Maulana Fazur Rehman said that assemblies were 'sold' and the people's voice is heard and their mandate is respected.—RT/Agency

No Decision Yet On Wheat Export: Shehbaz

ISLAMABAD: Prime Minister Shehbaz Sharif on Wednesday told the National Assembly that the government had made no decision for the export of wheat.

"No decision has been made for the export of wheat. I want to bring it on record before the House that there is no such decision for the wheat export," he told the National Assembly responding to a point of order raised by a parliamentarian.

However, referring to the PTI government's sugar and wheat scams, he recalled that it was also on record that in the past wheat and sugar were first exported and later imported and where the billions and trillions of rupees went was part of the history.

According to Inter-Services Public Relations (ISPR), the security forces and police conducted a joint intelligence-based operation (IBO) in Khyber Pakhtunkhwa's (KP) Peshawar district, the military's media wing said on Wednesday.

Four Pakistan Army soldiers embraced martyrdom while three terrorists, including a commander, were killed in a joint intelligence-based operation (IBO) conducted by the Security Forces and Police in Khyber Pakhtunkhwa's (KP) Peshawar district, the military's media wing said on Wednesday.

According to Inter-Services Public Relations (ISPR), the security forces and police conducted a joint intelligence-based operation (IBO) in Khyber Pakhtunkhwa's (KP) Peshawar district, the military's media wing said on Wednesday.

During conduct of the operation, three terrorists including high value target, commander Abdul Raheem were killed whereas weapons and ammunition were also recovered from them, the ISPR said.

The military's media wing noted that commander Abdul Raheem was highly wanted by the Law Enforcement Agencies (LEA) and the government had fixed "head money of Rs6 million on

him", as he remained actively involved in numerous terrorist activities, and was also responsible for martyrdom of Captain Hussain Jahangir Shaheed and Havildar Shafiq Ullah Shaheed on 26 May 2024.

"Today's operation has avenged the heinous act and has brought the main perpetrator to justice," the ISPR said. The martyred soldiers were identified as Sepoy Muhammad Idrees (age: 34 years, resident of Swabi District), Sepoy Badam Gul (age: 34 years, resident of Kohat District) of Pakistan Army and Sub Inspector Tajmir Shah, (age: 38 years, resident of the Peshawar District) and Assistant Sub Inspector

Muhammad Akram (age: 34 years, resident of Mansehra District) of CTD KPK, who having fought gallantly, embraced Shahadat.

"Pakistan's Security Forces stand shoulder to shoulder with other law enforcement agencies to ensure peace and stability across of Pakistan and such sacrifices of our brave men further strengthen our resolve," the ISPR said. The operation came amid a surge in terrorist activities in Pakistan, especially in KP and Balochistan, since the outlawed militant group Tehreek-i-Taliban Pakistan (TTP) ended its ceasefire with the government in November 2022.—RT/Agency

Sindh government working to significantly enhance healthcare sector: Nisar Khuhro

By Saleem Soomro

LARKANA: The President of the Pakistan People's Party (PPP) Sindh and MPA Nisar Ahmed Khuhro stated that the Sindh Government aims to significantly enhance the healthcare sector to ensure that every common person remains healthy. He highlighted that institutions like NICVD (National Institute of Cardiovascular Diseases) and SIUT (Sindh Institute of Urology and Transplantation) have already been established, serving as benchmarks that are unparalleled in other provinces of Pakistan. Khuhro expressed his desire to expand maternal and child health centers in rural areas to the union council level, ensuring that every pregnant woman has access to healthcare facilities for childbirth. During an orientation ceremony for the nursing department at Chandra Institute of Nursing and Allied Health Sciences, Khuhro praised the private sector's efforts in establishing the institution, which provides significant opportunities for youth to acquire medical education. He emphasized the crucial role such institutions play in healthcare, enabling graduates to pursue careers domestically and internationally.

Khuhro acknowledged the shortcomings in managing basic health units and dispensaries in rural Sindh, which were subsequently handed over to PPHI (People's Primary Healthcare Initiative) to address these issues. Other notable attendees included Dr. Abdul Rasheed Shaikh, a member of the institute's advisory committee, Associate Professor Rubina Parveen from People's Medical University Nawabshah, Dr. Dayali Gul, Dr. Sakina Gad and others who welcomed the new students in the nursing field, recognizing its pivotal role in the healthcare system. The institute's chairman, S. Iqbal Babu, announced the initiation of several programs, including Doctor of Physiotherapy, Nursing, and paramedical courses, with plans to introduce a two-year B. Pharmacy program soon. He also declared that students achieving top positions in the university would be awarded free laptops as a token of appreciation. Khuhro distributed appreciation certificates to the faculty members and students who excelled in their monthly tests and viva exams in the Doctor of Physiotherapy program. The event was attended by Deputy Mayor Muhammad Amin Shaikh, Advocate Riaz Soomro, advisory committee members Professor Dr. Abdul Manan Shaikh, Professor Dr. Abdul Rasheed Shaikh, Principal of Public Health School Dr. Pirah Sakina Gad, President of Larkana Press Club Murata Naveed Larik, Nursing College instructor Tahir Ali Bhattu, PPP leader Khair Muhammad Shaikh, and Associate Professor of Nursing Rubina Parveen, among others.

-Will someone please take notice of their plight? Two women faint at BISP Centre in Kunri

By MM Faisal

KUNRI: The Government Qazi Sultan High School, housing the BISP Centre in Kunri, witnessed distressing scenes as the number of deserving women seeking assistance continues to surge, exacerbating conditions due to inadequate facilities. Despite efforts, the overcrowding has strained the school's infrastructure, leading to significant challenges for both beneficiaries and administrators alike. Amidst these difficulties, two women collapsed due to the overwhelming crowd at the centre, prompting immediate medical attention. They were swiftly transported to the Taluka Hospital for urgent care, highlighting the severity of the situation exacerbated by the overcrowded conditions. In response to mounting concerns, the school

administration has taken proactive steps by formally requesting the Deputy Commissioner (DC) to relocate the BISP Centre to alleviate the strain on the school's resources. This plea underscores the urgent need for improved infrastructure and expanded facilities to accommodate the growing number of beneficiaries accessing essential services. The incident has sparked broader discussions regarding the welfare and support systems for vulnerable populations, emphasizing the critical importance of ensuring adequate resources and facilities to uphold the dignity and well-being of those in need. As stakeholders deliberate on potential solutions, the community remains hopeful for swift action to address these pressing challenges and improve conditions at the BISP Centre in Kunri.

FFC holds seminar on profitable rice cultivation

By Abid Mehmood Ch

TOBA TEK SINGH: Under the auspices of the FFC, a seminar on profitable rice cultivation was organized. The seminar's chief guest was Deputy Director of Agriculture Extension Jhang, Dr. Khalid Iqbal. Other notable guests included Director of Pest Warning Faisalabad Muhammad Israr, Assistant Director of Agriculture Extension Dr. Muhammad Younis, Chaudhry Muhammad Akram, Assistant Commissioner Asfandyar Khan, Head of Farm Advisory Center FFC Muhammad Tahir Naem, Head of Agri-Territory Hassan Raza, Senior Scientist Rice Research Institute Kala Shah Kaku, along with the President of the Farmers Board, representatives, and a large number of farmers and landowners.

Deputy Director of Agriculture Dr. Khalid Iqbal stated that the agricultural sector holds great significance in the eyes of the Punjab Government, which is undertaking revolutionary measures for the welfare of farmers and the development of agriculture, yielding long-term benefits. He emphasized the need to increase per-acre

yield of rice and other crops to meet the growing food requirements of the country's increasing population. This goal can be achieved through the use of modern agricultural technology, Muhammad Tahir Naem, Head of Farm Advisory Center Sheikhpura, noted that rice is the second largest crop after wheat and that the region is renowned for its Super Basmati. He highlighted the measures provided by FFC for the agriculture sector and the importance of rice cultivation. Hassan Raza, Head of Agri-Territory Toba Tek Singh, informed that FFC has been providing agricultural facilities to farmers for over 40 years, reaching more than 1 million farmers and conducting over 600,000 free soil and water analyses.

He pointed out that in the districts of Toba Tek Singh and Jhang, there is a severe deficiency of phosphorus, potassium, nitrogen, zinc, and boron in the soil. He stressed that only through the balanced use of fertilizers can significant increases in rice production be achieved.

Residents of Kot Pul facing intense hardships due to Jagirani-Solangi clash

By Naz Solangi

KUMB: Tensions escalated dramatically in the vicinity of Kot Pul near Khairpur as armed individuals representing the Jagirani and Solangi communities engaged in a sudden and violent clash. The conflict erupted into indiscriminate gunfire, resulting in substantial damage to local shops and instilling widespread fear among residents, who were compelled to shutter their businesses under threat of violence.

Videos capturing the chaotic scenes of public firing by more than two dozen suspects have circulated, depicting scenes of terror as the town grappled with the intensity of the confrontation. The conflict, stemming from an alleged issue of honor between the two groups, has plunged the rural area into a state of turmoil, prompting urgent intervention from law enforcement authorities.

Local police authorities have confined the genesis of the clash and are actively pursuing measures to quell the escalating violence. Efforts are underway to establish peace and prevent further escalation of hostilities,

Water availability will improve by this coming Sunday: SIDA Chairman Raees Kabool Muhammad Khatian

By Jibrán Talpur

BADIN: The Chairman of the Sindh Irrigation and Drainage Authority (SIDA) has expressed optimism about the improvement in water availability by the coming Sunday. According to a statement released by the SIDA spokesperson, Chairman Raees Kabool Muhammad Khatian has stated that the water situation at Sukkur Barrage, which is expected to reach Kotri Barrage by Sunday, approximately 63,800

day. This will improve water availability in the canals supplying water to the districts of Tando Muhammad Khan and Badin, making it possible to provide water to the tail ends. The SIDA Chairman further stated that with the improvement in the water situation at the barrage, there will be an ample water supply in the system for the next two months. This will make it easier to address issues like water shortages and rotation at the tail ends.

Commissioner Sukkur Fayaz Hussain Abbasi, DC Dr. MB Raja Dharejo review arrangements for monsoon rains

By Absar Alvi

SUKKUR: Commissioner Sukkur Fayaz Hussain Abbasi, has stated that all relevant departments have been activated ahead of the monsoon season. The administration is prepared to handle any potential emergency situations during the monsoon rains. He expressed this while visiting various water pumping stations in the city. Deputy Commissioner Sukkur, Dr. MB Raja Dharejo, accompanied him on this occasion.

Commissioner Sukkur visited pumping stations at Makha Road, Shalimar, Qureshi Road, Doba Road, Jail Road, Miyani Road, Police Line, and Bachal Shah, and reviewed the preparations for the monsoon season. He said the purpose of the visit is to ensure the functionality of pumping stations to address potential flooding and drainage issues during the monsoon. Commissioner Sukkur emphasized the importance of practical measures to mitigate the effects of

heavy rains and directed the relevant authorities to ensure alternative and effective power arrangements at the water pumping stations. He particularly stressed strengthening the communication system between municipal services and the public health department in this regard. He also mentioned that a special contingency plan should be devised for the city's choke points and low-lying areas to prevent any inconvenience to the citizens during the upcoming rains.

BISP beneficiaries facing a myriad of problems in Jamshoro

By Shaikh Sindi

KOTRI: In the four tehsils of Jamshoro district, difficulties are being encountered in disbursing funds from the Benazir Income Support Program (BISP) at over seven centers. It has been revealed that limited devices intended for cash withdrawal are being used away from the designated centers. At the Sehwan center, only 6 out of 14 devices are operational and a similar situation is occurring

at three centers in Kotri, where minimal devices are being used, leading to significant problems to the beneficiaries. Due to collusion between the device holders and other staff at the centers, affected women are facing hardships at the Government Primary School Christian Colony Kotri Center. The women have to wait for hours in the scorching heat without receiving any money and they return home disappointed after a whole day of waiting in the heat. The treatment of these women by the government appears to indicate massive corruption involving millions of rupees. Various means are supposed to be used to distribute money to women, but instead, these women are being humiliated by the device holders. There are no provisions for electricity, water, or even a place to sit and wait while trying to obtain their money, forcing them to endure day-long struggles.

Mourning procession taken out in Tando Allahyar

By Afaque Khanzada

TANDO ALLAHYAR: The solemn observance of Muharram-ul-Haram began in Tando Allahyar city with the initiation of the first mourning procession from Imambargah Hyderi in Rahab-e-Faqeer Muhalla.

The procession followed a designated route, winding through various neighborhoods before concluding at its traditional culmination

point. In Chaki Muhalla, local associations fervently performed azadari rituals, while provisions of Niyaz were generously distributed along the procession's path, catering to the spiritual and physical needs of the participants.

A notable feature of the procession was the participation of both Sunni and Shia Muslims in significant numbers, underscoring a message of unity and solidarity among the Muslim community during this period of mourning. The presence of diverse groups peacefully commemorating the sacrifices of Hazrat Imam Hussain (AS) exemplified the

spirit of harmony and mutual respect.

"All segments of the community have come together to honor the legacy of Imam Hussain (AS) and reflect on the values of justice and righteousness," remarked Maulana Imadad Hussain Hyderi, emphasizing the significance of collective remembrance and spiritual solidarity. As the mourning rituals continue throughout Muharram-ul-Haram, organizers and participants alike express their commitment to upholding the sanctity of the occasion while fostering bonds of empathy and understanding across religious lines.

Man killed, 17 injured in Sehwan's Bhambhro-Solangi clash

SEHWAN SHARIF: A heated dispute over passage rights through a street in Gul Muhammad Shah Muhalla of Sehwan escalated into a violent clash between the Bhambhro and Solangi communities, resulting in tragic consequences. The altercation, which quickly turned violent, involved gunfire that claimed the life of an elderly man identified as Mehar Bhambhro on the spot.

The clash also left a total of 17 individuals injured, hailing from both sides of the conflict. The wounded were promptly evacuated to Syed Abdullah Shah Institute Hospital in Sehwan for urgent medical treatment. Among those injured from the Bhambhro community were

Mian Bux Bhambhro, Sain Bux, Waqar, Allah Bux, Ghulam Mustafa, and Wahid Bakhsh Bhambhro. On the opposing side, the injured included individuals like Shoukat Machhi, Haji Khan, Baghan, Barkat Machhi, and Waheed Umrani, among others.

According to preliminary reports, the clash was rooted in an ongoing dispute over street passage rights, with tensions escalating as each community sought to restrict the other's access. The confrontation quickly spiraled out of control, culminating in the tragic loss of life and multiple injuries.

In response to the escalating violence, Sehwan police swiftly intervened, arresting three suspects allegedly involved in instigating the

clash. An initial report has been filed as part of an ongoing investigation into the incident, with authorities intensifying efforts to restore calm and bring those responsible to justice. The incident has sent shockwaves through the community, prompting calls for renewed efforts towards conflict resolution and communal harmony. Local authorities and community leaders are urged to prioritize dialogue and peaceful reconciliation to prevent further incidents of violence and foster a climate of mutual respect and understanding. As investigations continue, residents of Sehwan Sharif remain on edge, hoping for swift and effective measures to stabilize the situation and prevent any recurrence of such tragic events.

Man kills sister over Karo Kari

By Khuda Bux Brohi

THATTA: Tragedy struck Sanwalpur village in the jurisdiction of Ghorabani police station when Ramzan, accompanied by his cousin Yousef, reportedly brutally murdered his sister, Hajran, daughter of Ahmed Mallah. The incident, which occurred on Wednesday, unfolded amidst allegations that Hajran was involved in an illicit relationship, sparking suspicions of 'Karo-Kari' (honour killing).

the tragic death of Hajran, whose lifeless body was swiftly transported to the Var Rural Health Centre. Following necessary procedures, her remains were subsequently handed over to her grieving family. Law enforcement swiftly responded to the heinous crime, apprehending both Ramzan and Yousef at the scene. Alongside the arrest, the axe purportedly used in the murder was confiscated for forensic examination, as police authorities commenced a thorough investigation into the circumstances surrounding the incident.

The community of Sanwalpur village and surrounding areas has been left in shock and dismay by this tragic event, highlighting the persistent challenges related to honour-based violence in certain parts of the country. Authorities remain committed to ensuring justice for Hajran and are actively pursuing leads to uncover the full details behind this senseless act of violence. Further updates on the investigation will be provided as the police continue their efforts to bring clarity and accountability to this heartbreaking case.

Murad Orders Irrigation Dept to Address Sukkur Barrage Right Bank Water Shortage, Ensure Rabi Crop Protection

KARACHI: Sindh Chief Minister Syed Murad Ali Shah has directed the Irrigation Department to address the water shortage on the Right Bank of Sukkur Barrage to protect Kharif crops. The directive came during a meeting at CM House and was followed by Minister Irrigation Jam Khan Shoro and other officials.

The Sukkur Barrage Right Bank irrigates 2,094,975 acres, including 185,000 acres in Balochistan. The Right Bank includes the Dadu, Rice, and North West Canals. The Rice Canal operates at 80-89% of its allocated discharge, with water reaching tail-enders. However, Dadu

Canal is only at 50% of its allocated share, severely affecting areas below Dadu City. Shah instructed the Irrigation Department to supplement the Dadu Canal from the Rice Canal and operate pumping stations to alleviate shortages. The North-West Canal also faces a 50% water shortage, affecting Balochistan. Shah emphasized the need for a rotation plan and vigilant monitoring to ensure equitable water distribution and mitigate shortages. He also recommended using hydraulic excavator machines to clear obstacles in the North-West Canal for better water flow.—RT

Classless domestic violence in Pakistan

The recent revelation of domestic violence against Ayesha Jahanzaib, a well-known TV anchor, has shocked many, shedding light on a pervasive issue that transcends social status in Pakistan. Despite the glitz and glamour of her celebrity status, Ayesha's ordeal echoes the daily suffering of countless ordinary Pakistani women. According to media reports, Ayesha was subjected to brutal violence by her husband, Haris, who was arrested after allegedly pointing a gun at her and throwing her out of the house. This incident is a stark reminder that domestic violence is not confined to any particular class or community. It is a widespread blight affecting affluent women, celebrities, and poor women alike. The brutalization of Ayesha Jahanzaib should serve as a catalyst for urgent action against this rampant issue.

Punjab Chief Minister Maryam Nawaz's swift response, including ordering a report from the Inspector General of Police and ensuring Ayesha receives the

best medical care, is commendable. However, such incidents highlight a systemic problem that requires more than reactive measures. Society's silence and the government's perennial apathy towards domestic violence must end.

Domestic violence is deplorable, regardless of the victim's background. It is a violation of human rights and dignity. For too long, Pakistani women have suf-

ferred in silence, with many cases going unreported due to fear, shame, or lack of support. This pervasive culture of silence must be shattered. The government needs to enforce stricter laws against domestic violence, ensuring that perpetrators are swiftly brought to justice. Public awareness campaigns are crucial to change societal attitudes and encourage victims to speak out. Additionally, providing accessible support services for victims, including shelters and legal aid, is essential.

Ayesha Jahanzaib's ordeal should be a turning point. Let it galvanize us to demand better protection and support for all victims of domestic violence. Every woman deserves to live free from fear and violence, and it is our collective responsibility to ensure that this basic right is upheld.

Talhar's Rice Mills rally against increase in fixed charges

By Jibrán Talpur

BADIN: The Rice Mill Association Talhar held a protest rally against the federal government's increase in fixed charges for electricity. The rally, led by the president of the Rice Mill Association, Tek Chand Dinani, along with leaders Mukhi Bhanu-mal, Mohan Lal Kishan Chand, Rizaz Memon, Dilip Kumar, Mukesh Kumar, Gagan Das, Naeem Khawaja and others, started from Government Boys Higher Secondary School and ended at the Press Club Talhar. The protesters said that the recent budget's increase in fixed charges for industrial electricity consumers is an injustice to the public. They emphasized that they, as industrialists, already pay significant taxes to the government, and they do not accept the increase in fixed charges for electricity. They urged the government to reconsider this decision and show mercy to the public. The protesters said that they should not be forced to pass the increased charges onto the public by including them in the mill's expenses. If the additional charges are not eliminated, the public will bear the burden. Therefore, they demanded that the Prime Minister and the Federal Minister of Electricity revoke the additional fixed charge tax of 1250 rupees and restore the old taxes. They warned that if their demands are not met, they will expand their protest.

Commissioner Faisal Ahmed Uqaili forms committees to restore MPK's natural waterways

By Narain Das

MIRPURKHAS: The Divisional Commissioner of Mirpurkhas, Faisal Ahmed Uqaili, stated that committees will be formed at the district, tehsil, and divisional levels to improve the Dhoro Puran, LBOD, Spinal Drain and natural water passages. These committees aim to address all complexities and issues related to these water bodies. He made these remarks while presiding over a meeting at the Commissioner Committee Hall on the improvement and related issues of Dhoro Puran, LBOD, and Spinal Drain, along with District Council Chairman Mir Anwar Ali Talpur. He further mentioned that the Meteorological Department has predicted urban flooding due to potential monsoon rains. He stressed that the ongoing projects for the improvement of Spinal Drain and natural water passages, being carried out with the cooperation of the Sindh government and the World Bank, should be expedited.

Project Director LBOD and Dhoro Puran, Bahar Jumani, provided details during the meeting, stating that illegal encroachments have been removed from Dhoro Puran and the capacity of the Spinal Drain has been increased from 80 square feet to 140 square feet. He mentioned that siphons are being constructed at RD 275 and a regulator with 10 gates has been made at Zero Point with the support of the World Bank. The capacity for water passage from Zero Point to RD 297 has been increased by 4 feet, and 26 excavator machines are currently operating at various RDs. Director Nara Canal, Naeem Memon, informed that the Irrigation Department has prepared a complete contingency plan considering the monsoon rains. In the event of rains, the water capacity in canals and branches will be reduced. Deputy Commissioner Mirpurkhas Dr. Rashid Masood Khan, SSP Captain (Retd) Chaudhry Asad Ali, Executive Engineer LBOD Fawad Memon, Assistant Commissioner Digrri, Sindhri, Jhudo, Chairman Mango Festival Management Committee Arif Khan Bhurgari, Mir Tariq Talpur, and officials from related departments participated in the meeting.

Major overhaul as PCB sacks managers; Shaheen Afridi found 'misbehaving' with coaches

LAHORE: The repercussions of the Pakistan team's early exit from the T20 World Cup 2024 continue to flow as it has been revealed that star pacer Shaheen Afridi has been found misbehaving with the coaches and management staff, sources told Geo News on Wednesday.

Sources say that a probe is underway over why managers - who are responsible for maintaining team discipline - didn't take any action against the left-arm pacer despite Shaheen's attitude. The revelation comes against the backdrop of on-going measures being taken by the board, the latest of which was the sacking of Wahab Riaz and

'Enough chances for Babar': Boom Boom wants real surgery in team

LAHORE: Shahid Afridi, the former captain of Pakistan national cricket team, has said that he was unable to "comprehend" the recent removal of Wahab Riaz and Abdul Razzaq from Pakistan Cricket Board's (PCB) selection committee.

The removal of Riaz and Abdul Razzaq comes after a disappointing performance from the national team during the T20 World Cup 2024 as the PCB management had lost confidence in the duo and their opinions had not been taken into account for some time now, according to sources.

While speaking to reporters on Wednesday, Afridi, 47, broke his silence over the recent removal of the former cricketers from the selection body as part of

PCB Chairman Mohsin Naqvi's much needed "surgery" for the body.

Afridi, who is currently participating in the World Championship of Legends 2024 in England as part of Pakistan Champions, told reporters that he did not understand PCB's latest move when asked about it.

He emphasised that Riaz and Abdul Razzaq are not the only members of the selection committee and there are several other people involved as well. "I just found out that they sidelined Abdul Razzaq and Wahab Riaz," he said. "I don't understand this kind of 'surgery'."

Afridi also said that whatever "surgery" is needed, it must be done once and for all. He added that whoever is brought forward now must be given ample time to improve their captaincy skills.

While discussing the performance of Babar Azam, Pakistan's current T20 cap-

tain, Afridi highlighted that the 29-year-old cricketer has been given many chances to prove his captaincy skills.

"As far as Babar is concerned, no captain has been given such chances (to prove their captaincy)," Afridi told reporters, highlighting that Azam had played in several international tournaments.

However, he did not seem impressed by Azam's captaincy skills despite the "incredible" opportunities he had.

About the removal of Riaz, 39, and Abdul Razzaq, 44, sources stated: "Their influence was significant in the selection of the T20 World Cup squad and they showed more support to players who did not perform well.—Agency

Yamal makes history as Spain sink France to reach Euro 2024 final

MUNICH: Lamine Yamal, 16, became the tournament's youngest ever goalscorer as Spain came back to beat France 2-1 in Munich and reach the Euro 2024 final.

Trailing after Randal Kolo Muani headed in a Kylian Mbappe cross in the ninth minute, Spain turned the match around in a four-minute period, scoring twice against a side who had only conceded once in five previous games in this tournament.

Yamal, who turns 17 a day before Sunday's final against either the Netherlands or England, equalised with a superb strike from outside the box, curling a long-range effort into the top corner and past the fingertips of an airborne Mike Maigman.

Spain took the lead on 25 minutes, Dani Olmo expertly gathering a loose ball and firing a low shot into the net with the aid of a deflection off Jules Kounde.

Three-time champions Spain became the first team to win six games at a Euros and are one game away from a record-breaking fourth crown.

"We are one step away from glory," Olmo told ZDF. "We are very, very close. This team is unbelievable. We deserve it."

This weekend in Berlin will be Spain's first appearance in a major tournament final since a much-awaited side thrashed Italy 4-0 in the Euro 2012 showpiece.

Retiring James Anderson picks best batter he bowled against

LONDON: Retiring England pacer James Anderson picked India's batting great Sachin Tendulkar as the best batter he bowled in his glittering career.

During a Q&A session with Sky Sports Cricket ahead of his farewell Test at the Home of Cricket Lords, Anderson picked legendary Tendulkar ahead of renowned batters like Virat Kohli, Kane Williamson, David Warner and Steve Smith.

"The best batter I would have to say is Sachin Tendulkar," said Anderson. Notably, James Anderson dismissed Sachin Tendulkar nine times in Test cricket and thrice in ODIs. All in all, he has 149 wickets to his name against India in 39 matches, the most by him against any cricket-playing nation.

When probed about the best bowlers he ever faced, Anderson picked Australia's Glenn McGrath and South Africa's Dale Steyn, terming them world-class.

"The best bowler I faced was probably Glenn McGrath or Dale Steyn. Hard to pick between the two. Slightly different bowlers, but both world-class," Anderson stated.—Agency

PCB confirms sacking Wahab Riaz, Abdul Razzaq

LAHORE: The Pakistan Cricket Board Wednesday confirmed axing former cricketers Wahab Riaz and Abdul Razzaq from the board's selection committee following the team's dismal performance in the T20 World Cup 2024.

"The PCB today confirmed that it has notified Abdul Razzaq and Wahab Riaz that their services will no longer be required in the national selection committee setup," read the board's press release.

The confirmation comes a day after media, citing sources, reported that the board had removed the ex-cricketers from the selection committee after losing confidence in them due to their support for players who failed in the mega-event.

The former cricketers' ouster comes as the PCB had reorganised the men's national selection committee, having equal powers in March earlier this year in order to bring more transparency in the process, but the team selected by the panel failed to deliver in all the series since then.

Riaz was a member of the men's selection committee, whereas Razzaq was part of the selection committees for

Argentina beat Canada to seal spot in Copa America final

NEW JERSEY: Defending champions Argentina booked their place in the Copa America final after goals from Julian Alvarez and Lionel Messi gave them a 2-0 win over Canada in Tuesday's semi-final in New Jersey.

Argentina have won a joint-record 15 Copa titles and reached the final six times in the past eight editions but Canada caused them problems in the opening 20 minutes, Jacob Shafiq twice shooting wide from promising positions.

After soaking up the early pressure Argentina went ahead when Rodrigo De Paul played through Alvarez, who ghosted in between two defenders to score with a tidy

finish in the 22nd minute. Canada nearly snatched an equaliser against the run of play in first-half stoppage time as Jonathan David sneaked in ahead of his marker to get on the end of a long throw, but his close-range shot was hit straight at goalkeeper Emiliano Mar-

inez. Messi then scored Argentina's second in the 51st minute when he stuck out a boot to divert Enzo Fernandez's shot from the edge of the area past Canada goalkeeper Maxime Crepeau.

The goal moved Messi to joint fifth in the all-time Copa America scoring charts, level with Peru's Paolo Guerrero and Chile's Eduardo Vargas on 14.

The 37-year-old's 109th goal for Argentina also saw him surpass Iran's Ali Daei on the all-time international scoring charts.

India thump Zimbabwe in third T20I to take lead in five-match series

HARARE: Shubman Gill's brisk half-century, followed by Washington Sundar's three-for, steered India to a 23-run victory over Zimbabwe in the third T20I of the five-match series here at Harare Sports Club on Wednesday.

The inexperienced India side, who succumbed to a narrow defeat in the series opener, now lead the five-match series 2-1 with two games to spare.

Opting to bat first, India racked up a commendable total of 182/4 on the tricky surface of the Harare Sports Club.

Leading the way was their young skipper Shubman Gill, who scored a magnificent half-century.

Gill gave India a solid start with his 67-run opening

partnership with Yashasvi Jaiswal.

The solid opening stand lasted in the ninth over when Jaiswal fell victim to Sikandar Raza in the ninth over after scoring 36 off 27 deliveries.

Gill was then involved in yet another important partnership for India when he added 72 runs for the third

wicket with Raturaj Gaikwad before finally walking back in the 18th over.

He remained the top-scorer for India with a 49-ball 66 which included 10 boundaries including three sixes.

Gaikwad bolstered India's total at the backend with clean hitting but failed to convert his bril-

liant knock into a well-deserved half-century as Blessing Muzarabani dismissed him in the final over.

Raturaj Gaikwad was the other notable run-getter for India with a quickfire 49 off just 28 balls with the help of four fours and three sixes.

For Zimbabwe, Sikandar Raza and Blessing Muzarabani bagged two wickets each.

In response, Zimbabwe racked up 159/6 in the allotted overs as they failed to recover from the dismal start.

Avesh Khan and Washington Sundar ran through Zimbabwe's top order, reducing the home side to 39/5 in seven overs.—Agency

Kim Kardashian wants to date a 'billionaire'

Kim Kardashian has dated many high-profile figures but reportedly now she wants to date someone whose net worth runs into a billion.

Sources however say she is on the lookout in the hope of getting settled down and for this, she has tasked her friends to become the matchmakers.

"She wants to settle down, not just play around, so in her view, it makes a lot more sense to go higher up the food chain and pick a man with billionaire status," the insiders told Life & Style.

The SKIMS mogul, who herself is reportedly a billionaire told friends to find her one of her type.

"She's got all her girlfriends helping her with the hunt. She's been hanging with a more high-level crowd and she's really hoping that will put her in the same room with the right kind of man," the tipster tattled.

This comes after her breakup with Odell Beckham Jr., sources say. "If you'd ask Kim six months ago who was on her dating wish list, she'd have named off a bunch of sports stars."

They continued, "She was even flying across the world to go to soccer games because she had her heart set on being a WAG."

But after things went sour with Odell Beckham Jr., she changed up her whole game plan and she's now saying it's time for her to date a different kind of man."

America's sweetheart Taylor Swift plays Joe Jonas breakup ballad 'Last Kiss' at 113th Eras Tour show

Taylor Swift included the breakup ballad "Last Kiss" in her 113th Eras Tour show, which is thought to be about Joe Jonas, on Tuesday night in Zurich, Switzerland.

Swift played the "Speak Now" song in a piano mashup with the "Red" breakup anthem "Sad Beautiful Tragic" during the acoustic section of her concert.

It is pertinent to mention that Swift's breakup with Joe Jonas happened a very long ago but according to Page Six, it's quite likely she chose

to play the tune because it mentions Tuesday's date in the lyrics.

The lyrics said, "I do recall now the smell of the rain, fresh on the pavement, I ran off the plane / That July 9th, the beat of your heart / I jumps through your shirt, I can still feel your arms."

Moreover, Taylor Swift previously played the song last year in Kansas City on July 8, as there wasn't a show on July 9.

In regards to the "Karma" hitmaker and Joe Jonas, they dated back in 2008 for a

handful of months before their relationship soured.

Swift infamously put her ex on blast during a November 2008 interview on "The Ellen DeGeneres Show" when she hinted that he broke her heart via a short phone call as she quipped, "Some day, I'm gonna find somebody really, really, really great, who's right for me."

When I found that person that is right for me, he'll be wonderful and when I look at that person, I'm not even gonna be able to remember the boy who broke up with

me over the phone in 25 seconds when I was 18."

It is pertinent to mention that the next year, Joe Jonas released a track, "Much Better" with their album "Lines, Vines and Trying Times."

However when Swift visited "Ellen" again in 2019, she admitted calling out Jonas "too much. We laugh about it now, but that was mouthy... just teenage stuff there."

Furthermore, Swift confirmed that she will officially wrap the record-breaking tour in December.

PPP To Organize Large Public Meeting In Karachi After Muharram: Saeed Ghani

KARACHI: Sindh Local Government Minister Saeed Ghani has announced that the Pakistan Peoples Party (PPP) Karachi Division will organize a large public meeting in the city after the holy month of Muharram. The announcement was made on Wednesday during an important meeting of the PPP Karachi Division, chaired by Ghani at the People's Secretariat in his capacity as PPP Karachi Division President.

During the meeting, Ghani instructed all newly appointed office-bearers of the party in Karachi's districts to focus on strengthening the party, making it functional, and recruiting new members. He also emphasized the importance of preparing for the upcoming cantonment polls next year and maintaining party discipline. Ghani praised the efforts of former office-bearers in strengthening the party and urged the new office-bearers to conduct daily public contact drives to bolster the party's presence in the city. He acknowledged that differences of opinion are acceptable in running the party's affairs, in line with democratic traditions. Ghani highlighted that the PPP Karachi Division holds meetings more frequently than any other organization in Pakistan, and he urged the new office-bearers to engage with disgruntled PPP workers in the city. The newly appointed office-bearers introduced themselves and expressed gratitude to PPP leaders, including Bilawal Bhutto Zardari, President, Asif Ali Zardari, Faryal Talpur, and Saeed Ghani, for their confidence. The meeting also included prayers for the departed souls of late and martyred PPP leaders and activists, particularly two party workers recently martyred in Karachi. The meeting was attended by PPP Sindh General Secretary Waqar Mehdi, Mirza Maqbool, Zulfiqar Qaimkhan, Asif Khan, Shakeel Chaudhury, and office-bearers of all subsidiary bodies of the PPP.—RT

Terrorist Plotting Attack On Muharram Procession Apprehended

KARACHI: The Counter-Terrorism Department (CTD) on Wednesday claimed to have arrested a high-profile terrorist affiliated with the banned Tehreek-e-Taliban Pakistan (TTP), who according to the law enforcers was planning to attack a Muharram procession in Karachi, media reported. Addressing a press conference, DIG CTD Asif Ijaz Sheikh said that the arrested terrorist - identified as Muhammad Shuaib - was planning to attack an 8th Muharram in Karachi's Orangi Town

He claimed that the CTD team has arrested Shoaib from Itehad Town and recovered a suicide jacket from the arrested terrorist. "He [the terrorist] had joined the TTP after arriving in Karachi," he added. The arrested terrorist has provided valuable information to the authorities, and a significant progress has been made in the case, the DIG CTD added. Sheikh warned that strict action would be taken against those involved in such heinous activities, and the facilitators of terrorists would also be brought to justice. Pakistan has witnessed a surge in terrorist activities across the country, especially in KP and Balochistan, since the outlawed militant group Tehreek-e-Taliban Pakistan ended its ceasefire with the government in November 2022. It is pertinent to mention here that militants have targeted Muharram processions several times, including a bomb blast that killed more than 40 people attending the main Ashura procession on Karachi's M.A. Jinnah Road in December 2009.—RT/Agency

CTD Apprehends Two Railway Employees Involved In Arms Smuggling

KARACHI: Counter Terrorism Department's intelligence wing arrested two employees of Pakistan Railways under arms smuggling charges, media reported on Wednesday. CTD In-charge Raja Umar Khatab has stated that the CTD in a raid in Cantt Station arrested railway employees Sanauallah and Gul Islam and recovered a sub-machine gun (SMG) and a pistol from their possession. Two accused smuggled arms from Khyber Pakhtunkhwa to Karachi. "An arms dealer in KP had handed over arms to them", official said. The railways authorities have been informed about the arrest, police official added. The CTD in April foiled

arms smuggling bid in Karachi. Raja Umar Khatab said that an in-service constable of Khyber Pakhtunkhwa KP have sent heavy weapons to Karachi till now," he said. "CTD has arrested two members of the gang earlier," he said. "Mostly retired or terminated FC officials have been involved in the arms smuggling," CTD officer said.—RT/Agency

PM Warns Ministers To 'Roll Up Your Sleeves' For Downsizing Agenda Implementation

ISLAMABAD: Prime Minister Shehbaz Sharif Wednesday asked the ministries to work hard to make a difference and meet the nation's expectations, warning against any laxity in the implementation of the government's downsizing agenda.

"I will not allow my time to waste and I am sure you will not allow your time to be wasted. The only thing that will make the difference is action and implementation. Roll up your sleeves as this is a matter of country, its resources and resolution of its issues," the prime minister said in his remarks while chairing the meeting of the federal cabinet.

Apprising the members of his visits to Tajikistan and Kazakhstan, he referred to his interactions with world leaders, particularly Russian President Vladimir Putin and said he had formed a committee under Planning Minister Ahsan Iqbal for follow-ups.

Similarly, he said he had chaired a meeting a couple of days ago to review the progress on the follow-up of "very productive" discussions with Chinese President Xi Jinping and Premier Li Qiang during his China visit

and would hold another meeting on July 20.

The prime minister said the government had launched the solarisation of 28,000 tube-wells in Balochistan to save bleeding of annual Rs80 billion. He also appreciated the Balochistan chief minister and other relevant ministries and departments for taking the project to the implementation stage.

He told the meeting that the finance ministry had been tasked to work out a business plan for the solarisation of a million tube-wells in the country which were currently running on imported fuel, putting a burden of \$3.5 billion in the form of foreign exchange.

The prime minister high-

lighted that Pakistan had immense solar energy potential which must be exploited to save energy costs and provide low-cost electricity to the farmers.

"Time is running fast and we are racing against time. You have to accept the challenge and deliver. You will become the nation's heroes and departments for taking the project to the implementation stage."

Coming to the downsizing agenda, the prime minister categorically said that he would not listen against the closure of Public Works Department (PWD) as the government had also found an alternative solution on the pattern of Punjab. He said

the two-week time he had given for PWD's closure, was already over.

"I will not tolerate if any ministry used delaying tactics. Please make no mistake about it. It is okay if there is any valid reason for any subsidiary but protecting any entity for the sake of perks and privileges is a thing of the past, not today. It will not happen and it must not happen," he remarked.

The prime minister also highlighted that Pakistan spends \$5 billion on freight of exports and imports but the Pakistan National Shipping Corporation was running a fleet of just 12 ships while getting Rs5 billion for salaries. This is contrary to around 600 ships being run by Bangladesh and around 1500 ships by India.

"But no one cares. At least they should have flagged the issues to seek their resolution," he said and also referred to the evasion of import duties worth Rs1200 billion on Karachi Port.

He told the meeting that on Tuesday, the government had announced a Rs50 billion relief package to support the power consumers of the protected category for three

Supreme Court Expected to Announce Verdict on PTI-SIC Reserved Seats Case Today

ISLAMABAD: The Supreme Court (SC) is expected to announce a verdict on a case related to reserved seats of the Pakistan Tehreek-e-Insaf (PTI) backed Sunni Ittehad Council (SIC) on Thursday (today), media reported citing sources.

A special session of the apex court's 13-member full bench was held under the chair of Chief Justice of Pakistan (CJP) Qazi Faez Isa today, the sources added.

The important consultative session was summoned by the top judge to hold a discussion over the order related to the reserved seats case.

It is noteworthy to mention here that the Supreme Court reserved the verdict on the SIC's appeal yesterday, against the Peshawar High Court's (PHC) verdict that upheld the Election Commission of Pakistan's (ECP) decision denying them the reserved seats.

The CJP-led full court reserved the verdict after conducting nine hearings on the SIC's appeals to listen to arguments from all parties, including the federal government and the poll organising body.

The bench also comprises Justice Syed Mansoor Ali Shah, Justice Muneeb Akhtar, Justice Yahya Afridi, Justice Amin-ud-Din Khan, Justice Jamal Khan Mandokhail, Justice Muhammad Ali Mazhar, Justice Athar

Minallah, Justice Syed Hassan Azhar Rizvi, Justice Ayesha Malik, Justice Shahid Waheed, Justice Irfan Saadat Khan and Justice Naeem Akhtar Afghan.

The reserved seats' issue first emerged after over 80 PTI-backed independent candidates emerged victorious in the February 8 elections and subsequently joined the SIC in a bid to claim seats reserved for minorities and women.

However, the Imran Khan-founded party ECP, citing a setback after the ECP, filed its list of candidates, denied allocating the reserved seats to the SIC.

The party then approached the PHC which upheld the electoral body's decision on the matter.

Subsequently, the SIC moved the apex court seeking to set aside the PHC verdict and the allocation of 67 women and 11 minority seats in the assemblies.

The allocation of reserved seats holds significance as the PTI-backed in-

dependent candidates, who made up the majority of the opposition benches, lost as many as 77 reserved seats in NA and provincial assemblies due to the PHC's verdict.

It is also to be noted that the PHC verdict allowing the allocation of reserved seats to the ruling coalition comprising the Pakistan Muslim League-Nawaz (PML-N), the Pakistan Peoples Party (PPP) and others, led to them securing a two-thirds majority in the National Assembly.

The move propelled the PML-N's number in the lower house of parliament to 123, the PPP to 73, whereas the PTI-backed SIC number stood at 82.

A three-member SC bench comprising Justice Mansoor, Justice Minallah and Justice Mazhar, took up the SIC's plea on June 6 and suspended PHC's verdict as well as the ECP's decision on the said issue. Following the SC's decision to suspend the ECP order, the coalition lost its two-thirds majority in the lower house.—RT/Agency

PM Decides To Abolish Five Key Ministries In Government Overhaul

ISLAMABAD: Prime Minister Shehbaz Sharif has decided to abolish five key ministries and departments as part of a major government restructuring effort. The Institutional Reforms Cell, established by the prime minister, has commenced work on "rightsizing." According to sources, recommendations have been sought from five federal ministries within a week. These ministries include Information Technology, Kashmir Affairs, Ministry of Safeguard, Ministry of Industries and Production, and Ministry of Health Services.

PM Shehbaz has directed to form a committee comprising the Finance Minister Muhammad Aurangzeb and Member of National Assembly Bilal Azhar Kiani to explain the role of provincial ministries. On the other hand, the federal cabinet has formally approved the abolition of the Ministry of Planning, Development, and Special Initiatives. Approval for the entire plan related to the Ministry of Planning, Development, and Special Initiatives has been granted. The prime minister has instructed to immediately provide relief on electricity bills and expedite work on solar tube wells. In the cabinet meeting, ap-

proval was also given to run advertisements for medicines on TV, radio, and print media. Previously, the federal government further reduced the Public Sector Development Programme (PSDP) by Rs50 billion within 10 days of the start of the new fiscal year 2024-25, the National Assembly Standing Committee on Planning Ministry was informed on June 9. The committee which met here with its chairman Saad Abdul Qadir Gilani in the chair, sought details of the revised PSDP and the ongoing development projects. During the meeting, Planning Secretary Awais Manzoor Sumra gave a briefing on the working of the ministry. Planning Minister Ahsan Iqbal, who also attended the meeting, gave an overview of the prevailing

economic conditions in the country. He painted a grim economic situation, saying that the country was being run on borrowing. The entire TTP hideouts in Afghanistan, including the salaries, pensions and subsidies. We wasted 75 years moving in circles," he said, adding that the successive governments could not maintain continuity of policies due to political instability. "Now, we have no other option but to manage our revenues and expenses. We have to improve our efficiency, we have to have exports-led growth," he said, "If we do not show efficiency in the next quarter of a century, we will lose justification for the creation of Pakistan as a separate country."—RT/Agency

Pakistan's Strikes On TTP Hideouts in Afghanistan Are A Domestic Matter: Pentagon

WASHINGTON DC: The US Department of Defense "Pentagon," addressed Pakistan's recent announcements of continued airstrikes on TTP hideouts in Afghanistan, categorizing it as a domestic matter.

During a press briefing, Pentagon Spokesperson Maj Gen Patrick S Ryder emphasized that Pakistan retains autonomy in decisions concerning border protection and internal security.

Pakistan's defence minister Khawaja Asif has said few days ago that Pakistan will continue to launch attacks against Afghanistan as part of a new military operation aimed at countering terrorism.

Khawaja Asif said the aerial strikes were targeting groups which Pakistan accuses of targeting security forces and civilians.

IHC Justice Tariq Jahangiri Receives 'Suspicious' Calls and Messages

ISLAMABAD: Islamabad High Court's (IHC) Justice Tariq Mehmoood Jahangiri has been targeted by suspicious calls and messages, it was revealed on Wednesday.

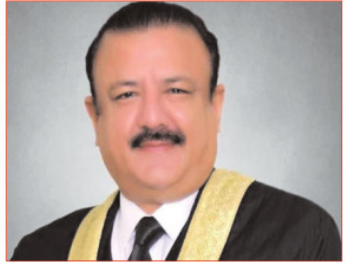

Sources from the judiciary disclosed that the caller purported to be the Director-General of the FIA (Federal Investigation Agency). However, subsequent investigations determined that the FIA DG did not place any such call. The individual behind the suspicious communication attempted to directly contact Justice Jahangiri.

In response, the top jurist has directed the court registrar to promptly inform the FIA, providing them with the mobile number associated with the incident.

According to insiders, the suspicious call was directed to Justice Jahangiri's office at the Islamabad High Court just two days ago. Additionally, messages were sent to the judge's personal mobile number from the same suspicious source.

Previously, the Islamabad High Court (IHC) has decided to confront head-on the alleged government-backed social media campaign targeting its judges, particularly Justice Tariq Mahmood Jahangiri, with a robust institutional response.

IHC on July 8 started contempt proceedings against the people allegedly running a smear campaign

against IHC judge Tariq Mehmoood Jahangiri on social media platforms and issued notices to three journalists—Gharidah Farooqi, Ammar Solangi and Hasan Ayub.

IHC Chief Justice Aamer Farooqi formed a 7-member bench comprising all IHC justices excluding Justice Jahangiri to hear the case.

He said the smear campaign against judges is intolerable and questioned if the Pakistan Telecommunication Authority (PTA), the Federal Investigation Agency (FIA), and the Pakistan Electronic Media Regulatory Authority (Pemra) were unaware of it. The Islamabad advocate general told the bench that the government would take action based on the judges' response.

"Are judges left to respond to such questions? Should we also hold press conferences? We are not

afraid of accountability, but we will not tolerate campaigns against judges. Whoever is found responsible will not be spared and will spend their summer in Adiala Jail," responded Justice Farooqi.

At the start of the full court hearing, Chief Justice Aamer Farooqi stated that the court had explained many times, but no one learned a lesson, adding that the contempt of court proceedings are an institutional response to the social media campaign.

Since May last year, IHC judges have been facing the heat for resisting the alleged interference by executive agencies in their judicial duties. To address the issue, they met with the then CJP Umar Ata Bandial and the incumbent CJP Qazi Faez Isa to discuss the harassment, especially following the Tyrion case.—RT/Agency

NAB Chief Nazir Ahmed Butt Visits Grave Of Watchdog's Victim

ISLAMABAD: Lieutenant General (ret'd) Nazir Ahmed Butt, the chairman of the National Accountability Bureau (NAB), recently visited the grave of brigadier (ret'd) Asad Munir, who had taken his own life several years ago.

Asad, a retired brigadier known for his integrity, had pointed to harassment by NAB as the sole reason for his suicide in his note which he wrote before taking his own life, hoping to prevent others from enduring similar treatment "for the crimes they had not committed".

Three years after his death, an accountability court acquitted Asad.

Last month, a representative from the Nazir's office contacted Asad's widow, Saeda, and sought permission for his superior to visit her. She declined to meet with the NAB chairman but he insisted.

Butt had been intrigued by Asad's suicide note and, while he wanted to express his condolences to Saeda, he also wanted to know more about his last note. In response, the family agreed to

meet. Nazir told Saeda and Asad's brother, Khalid, that the NAB was in the process of drafting Standard Operating Procedures (SOPs) for investigating government officers.

He also wanted to learn what Asad went through, so that it was not repeated.

He was also keen to know why NAB went after Asad without a solid reason. The family was not very aware of the motives.

Saeda, who was initially reluctant to meet him, was appreciative of his gesture. "I found him to be a very nice person," she said.

The NAB chairman also wanted to visit several other

"victims" of the accountability organisation with Asad's family being the only one he has visited so far.

Three days later, he visited Asad's grave in a graveyard located in Islamabad's Sector H-8.

A friend of Asad, who visited the grave a few days after Nazir, found a floral wreath at his friend's grave along with note that read: "Lt General (ret'd) Nazir Ahmed Butt, Chairman NAB".

According to a NAB source, Nazir plans to see a former vice chancellor during his next trip to Lahore. He was handuffed by NAB and that picture resonated with people across the divide.—RT/Agency

Bill Presented In National Assembly To Amend Citizenship Act

ISLAMABAD: A bill to amend the Pakistan Citizenship Act 1951 has been brought to the National Assembly.

In the assembly session being presided over by the speaker, Minister for Parliamentary Affairs Azam Nazir Tarar presented the bill, which states that the father and mother of a child born in Pakistan must be Pak-

Barrister Gohar Slams Phone Tapping as 'Unconstitutional'

LAHORE: PTI Chairman Barrister Gohar has asserted that the Constitution of Pakistan guaranteed the privacy of all citizens, terming the government's decision to authorise Inter-Services Intelligence (ISI) to tap phones "unconstitutional," media reported.

Speaking to international media, Barrister Gohar said that such a "blanket notification" violates the constitution, adding that only the people involved in criminal activities could be subjected to such surveillance.

When asked about PTI founder Imran Khan's own support to phone tapping while he was in power, he said: "Whatever it is, it should be according to the constitution."

Meanwhile, Defence Minister Khawaja Muhammad Asif said he supported

the government's decision to authorise Inter-Services Intelligence (ISI) to intercept phone calls. He emphasised that it was essential "under the current circumstances" as the country strives to eradicate militant violence. "In matters of national security, this measure becomes necessary and should be supported by everyone," the minister, adding, "At the very least, during the ongoing war against terrorism, this action is essential." He dismissed criticism from the opposition, Act.—RT/Agency

saying the PTI members should recall Khan's statements over the issue who justified phone tapping during his own stint in power. In a notification issued on Monday, the Information and Broadcasting Minister said the government had authorised the ISI to tap phone calls and messages "in the interest of national security." This authorisation was given to the ISI under Section 54 of the Pakistan Telecommunication Act.—RT/Agency
